FRONTEND WEB DEVELOPER

REACT | JAVASCRIPT | HTML5 | CSS3 | TAILWIND CSS | GIT | GITHUB

Creative and detail-oriented Frontend Web Developer with a passion for building responsive and user-focused interfaces. I specialize in using modern web technologies like React and Tailwind CSS to build dynamic websites and scalable components. With a strong foundation from hands-on projects, freelance work, and boot camp training, I focus on translating designs into fully functional and intuitive user experiences.

WORK EXPERIENCE

Freelance Frontend Developer

Remote / Contract · Jan 2024 – Present

- Developed and deployed fully responsive websites and web apps using React, HTML, CSS, and Tailwind CSS.
- Collaborated with clients to understand project requirements and translate them into interactive UIs.
- Integrated APIs and implemented UI states using React hooks and state management patterns.
- Utilized Git and GitHub for version control and project collaboration.
- Ensured cross-browser compatibility and optimized performance across devices.

EDUCATION

Frontend Web Development Bootcamp – Appclick Academy

Oyo State, Ibadan, Nigeria – 2025
